

Dear friends, family, and local businesses,

Christian Life Academy is a non-profit 501(c)3 organization whose mission is to honor God by supporting homeschooling families in the Christ-centered discipleship and education of their children through administrative and academic services, competitive sports, and Christian fellowship.

While our first priority is to equip our young men spiritually, we also believe it is important to build them physically. Our sports program partners with parents in the molding of their children through the development of their athletic skills. We are known throughout the San Diego community for our integrity, character, and commitment to excellence, both academically and athletically.

This year, our varsity football team is looking to purchase new practice equipment that will sharpen our players competitive edge and create a safer environment for our players. The funds we raise will go towards items such as a sled, new helmets, safety gear, weights, an overnight football camp, and other items to help these young men have an amazing season. Your tax-deductible donation will bless our young men and contribute to their experience. You may donate any amount or participate in one of our sponsorship program. Your sponsorship of:

- \$50 Provides your company with a business card sized advertisement in our game day program
- \$250 Provides you and your company with a business card sized advertisement in our game day program and a recognition plaque
- \$500 Provides you and your company with a business card sized advertisement in our game day program, a recognition plaque, and a 4x8 banner of your business card to display at our home games

If Christian Life Academy's football team sounds like a program that you or your company would like to financially support, please make your check payable to "CLA" and mail it to:
