Parent Participation Acknowledgment (Basketball):

Student Athlete's Name: _____

Student Athlete's age as of Sept 1, 2017: _____

We understand (1) that Christian Life Academy is a non-profit, Christian ministry composed of like-minded homeschooling families who seek to use competitive sports as a venue for character-building; (2) that all of the coaches and other team support personnel are volunteers; and (3) that without parental participation, the ministry's competitive sports program cannot be successful. We further acknowledge that the Christian Life Academy sports program is not a drop-off program, but one in which we come together as a community to exercise our unique gifts and talents and to give of our time and resources as God has gifted us in support of a common purpose, which is to know the great joy that comes from hearing that our children are walking in the Truth (3 Jn 4). We therefore agree to attend games, practices, and make fellowshiping and participation in other sports season activities a priority.

We further understand that CLA will only field as many teams as we have coaches, team moms, and sufficient numbers of parent volunteers committed to the program at the beginning of the season.

We therefore agree, throughout the season, either on the court or on the sidelines, either at the gym or other venues, practices or games or tournaments, we will do our part, as a condition of our continued participation in the Christian Life Academy sports program.
